Continuous Improvement: The Path to Living your Values

Breakout #2 – 12 Minutes

REFLECTION & APPLICATION

Activity:

1. **Identify a reporter** to chat a key learning from the group’s discussion upon return to the whole group (1 min)

2. **Group discussion** (11 min)
   a. **What key insight(s) did you take away from the case studies?**
      i. Consider how engaging in continuous improvement supported these organizations in living their values.
      ii. What’s been most important to the case study organizations’ abilities to accelerate their progress toward what matters most?

   b. **From your learning, what’s one next action you could take to better live your values?**
      i. What gap can you address?
      ii. What can you do tomorrow?

3. **Prepare to share**
   a. When you return to the full group, the reporter chats a key learning or insight that emerged from the discussion.
